# LEA LEXIS & SOFIE CARTER

Sofie hired Lea for some private one-on-one training to get in shape for the upcoming college basketball season. Sofie expected to start this year, but she needed to get into better shape to run up and down the court. Lea was very obliging at first, then she took things a little further with Sofie. Now we get to see her moves before the season starts.

## To the Editor,

I buy your magazine, not only for the pictorials but for the free movies that you have. And they are hot. It's pretty cool to see the sex in pictures, then have it come alive on video. Good thinking guys, and girls. But what I want to write to you about, because it came to me watching one of the videos, is that my wife (married three years) doesn't make any sounds when we fuck! For a while, I thought it was a little weird, but came to accept it. So lately, I've been asking her to be a bit noisier, like moaning and groaning, if something feels good.

I finally convinced her to watch some porn with me so she can hear the girls and guys, moan and groan and maybe she'll pick up on it. So one night as we were snuggling on the sofa, I pulled the computer out and we looked at some innocent stuff and I gradually led her into some porn and she was agreeable to view it with me.

I had downloaded one of your scenes where the gals were especially vocal, and we watched, talking about the sex and the groaning and she seemed to understand that it was okay to scream when she was cumming. It was okay to let out a "Oh, right there!" when I hit the spot. It was okay to say "Fuck me harder." (although I usually fucked her hard enough).

Now here's the good part. She has become wilder and more sexually active since she's started becoming more vocal. I love hearing "Fuck yeah!" at the top of her lungs, over and over again. She has really let loose but I tell her that we'll need to practice a little more.

– Lenny, Sacramento

## Dear editors,

Thank you for a marvelous cover model and pictorial of Adrianna Anelise in your last issue. She is one of the hottest women I have seen naked in a long time. It's not just her looks, but it looks like she really likes to fuck – and get fucked. Not like real life where some women just go through the motions and then expect the world because they let your cock into their mouth or pussy. I'm not complaining, but you guys must know the type.

This world needs more chicks like Adrianna. Ones that you can fuck and they'll fuck you back with the same excitement and fervor that you put into it. What's even better about her, is that she likes a cock in her mouth. Now that is something all of us guys want, but that is a very rare situation to find yourself in. If you ever can get a woman to suck your dick and then swallow your cum, then by all means do it. It's one of the best feelings you'll ever have. Thanks for hearing me out.

– George, Minneapolis

## Hey you guys,

My wife has recently turned out to be one of the hottest babes on the planet. We've been married for years and we're both over forty, but very young looking and acting. When we felt our sex life had become just a bit bor-

## 40+ #87

**40+:** Well hello Adrianna (AA). So very nice to see you once again.

**AA:** Nice to see you too. Wasn't it at Jenny's party in the Valley?

**40+:** Yes, that's a very good memory. Do you also remember that I said I wanted to ask you a few questions?

**AA:** Not really, I was probably having too much fun.

ing, we tried to liven it up in different ways. Lately, she's decided to become a "dominatrix." But what does your mind conjure up? For most people, it's a woman donned in black leather or vinyl lingerie, black stiletto thigh high boots, and she's carrying a whip. Please let me go ahead and say that we are not into a lifestyle or sexual inclination involving pain or humiliation, but for those that are, that's fine.

Guys, we want to tell your readers that domination play can be fun! How would it feel ladies, to turn the tables on your boring husband? Take a minute to think about it, especially you women out there who are sexually timid. Here's how we/she did it.

So – I come home from work one day to find her cooking dinner as usual, except that there is something slightly different. At first I can't figure it out. She greeted me with a kiss and hug, then whispers in my ear that tonight I'm hers. Her hand lightly grazed my pants as she headed back to the stove to finish cooking – and for the rest of the evening whenever she passed me, she'd grope me or give me a sly look. After dinner, we left the dishes on the table and the pots and pans in the sink, and she told me she expected me in the bedroom in five minutes. Very much unlike her.

When I came into the bedroom, she shuts the bedroom door behind me and locks it. Then she pushed me up against the wall and started to kiss me passionately as she undressed me. I tried too help but she gently slapped my hands away and looked at me sternly in the eyes. When I was nude in front on her, she grabbed my cock, already hard from all the stuff that went on beforehand, and said that she is gong to take the rest of the evening exactly where she wanted it to go. Damn, I thought to myself. Then she tells me to undress her slowly. Everything she has on is easy to get off. She must have thought that out, too. I undo her zippered dress from the back and it slides to the floor. I undo the

front bra clasp and her great boobs pop out. She's not wearing panties so she takes me over to the bed and pushes me down on the bed and straddles my face so I can lick her. All the while, she's reached forward and is stroking my cock, so my licking becomes more fervorous (is that a word?).

She bends down and switches her hand for her mouth all the while leaving her pussy on my face to lick and suck as we sixty-nine. I make the most of it for her pleasure as I feel her sucking my cock like never before. I don't feel like I need to go into the specific details of the rest of the night, but you get the gist of it. I was one hot night and it didn't end until four in the morning. Now most of you guys know it's difficult for a 40+ man to cum more than once, but she milked two big and one small jizz out of me that night. That's something that had not happened in over ten years. I think I made her cum at least four or five times!

– Tim, Cleveland

**Hi editor,**

So, I've decided to break down and finally write to you. One night last week after coming home from work, I was pretty bored. Horny as usual, I was just kicking back, propped up on my bed in my boxers watching TV – like Al Bundy, hand in the waste band and a beer in the other. Later that night my girlfriend comes home, nothing unusual except that she was a bit more drunk than

**40+:** Yes, I believe you were. Anyway, I heard you would be here today and I hope you don't mind that I stopped by.

**AA:** I don't mind, but my time is short. What are you interested in?

**40+:** I want to know why you are still doing this?

**AA:** By 'this' do you mean adult?

**40+:** Of course.

**AA:** I like doing it. It's what I know and I'm comfortable with it. It's also who I know and being comfortable with them, too.

**40+:** Do you do it very often?

**AA:** I don't that often, but when I get the urge, I'll book a shoot.

usual. I was kinda upset wondering why I wasn't invited but then learned it wasn't even worth it which is why she came home early. So she comes into our bedroom and asks if she could watch the movie with me as she laid down on the bed. I replied 'sure' and we found something to watch. A short while passed as she decided she wanted to get more comfortable so she grabbed her sweats and one of my t-shirts.

That's when it all started... I watched as she slid her tight jeans down revealing a lacy black thong. I was instantly hard. I couldn't help it, she was so sexy with an all-over tan, perfect body, and her extremely sexy underwear. I was so turned on. She then took off her shirt and grabbed one of my t-shirts and before she could put it on I muttered 'Damn, girl.' She laughed a little and asked 'What?' I said "You are so sexy... look what you did to me." Looking down she saw my cock bulging in my pants.

Without hesitating she grabbed it and started rubbing it outside my boxers. She then said to me with that slow drunk voice, "Do you like looking at your girlfriend in your underwear?" Speechless I said only "Of course." So she said "Really." and walked away to the bathroom and looking back at me grinning ear to ear.

I didn't know what to expect, I was rock hard and she just left me sitting there. Then, six or seven minutes later, she appeared in the sexiest lingerie I had ever seen. She asked me if I liked it. I liked it, and said "No, I love it." Then she crawled up the bed licking her lips all the way even as she pulled my shorts off of me. Looking up at me, she then asked if I would do her a favor. So amazed by how sexy she was, she then told me she wanted me to eat her pussy and she would deep-throat my cock. She said she was craving my cock down her throat and she wanted to feel me burst cum all over her face.

Needless to say, I ate her pussy like I was starving, licking and fingering and sucking, I made her cum and squirt three times

in fifteen minutes (but who's counting). So then she proceeded to get on her knees and go to town on my cock. I couldn't believe how great it felt as she went up and down, sucking my huge cock. Her hands stroked, it running her tongue up and down in between strokes. Looking up at me she said "Are you gonna give me that hot cum of yours, I want to taste it." I said "Yea, baby, you have me ready to explode." As she was getting more into it, going faster and faster, deeper and deeper, I couldn't hold back anymore. I grabbed her by her hair and tipped her head back, cumming all over her face as she opened her mouth and aimed my cock into it.

Then, she sucked every last drop out of me and then used her fingers to wipe every drop off her face and swallow it. She then told me that she loved that we did this kinda stuff, she said no one else made her feel so good or made her cum so much. Smiling, I said it was because I was so attracted to her and it was easy. Laying there next me still in the lingerie she said, "I hope you don't think your done?" and I asked why? She said that was just foreplay and wanted me to fuck her even more with my huge cock.

We spent the rest of the night fucking and sucking right there on my bed. Since then we've not fucked, but I think I might try enticing her with a bottle of champagne. Now only to think of the reason to pop the cork.

— D.C. Harrisburg

**40+:** *The urge?*

**AA:** Yeah, when I feel horny and my man isn't enough. He understands.

**40+:** *That's nice. Does he always understand?*

**AA:** No, not always. Sometimes he doesn't want me out there, but I'm my own woman and if he wants me, then this is who I am. I don't abuse our situation, but I also don't let it get in my way. Do you understand?

**BRANDI**

Believe it or not, in high school and college I used to be a frumpy nerdy girl. It was when I reached 25 and my girlfriend took me shopping and to the salons, that I emerged a butterfly out of my cocoon. I flirt and show off this body I worked very hard for. Now, I'm a MILF and a cougar, both names I wear well.

I divorced two years ago and it was the best thing I have ever done. Oh, it's not that my husband was bad, it's just that he could not keep up with my sexual appetite. A few years before we split, I started getting horny all the time. At first, he was good with it, then he changed. His loss.

# and a happy wife makes three

**S**hari has always fantasized what it would be like to have two men at the same time. I suggested making my wife's fantasy a reality. But when an old high school bud of mine went to work at my office, I thought it would be a perfect time for her to experience it. Donny is in the marketing department. He's my age and a bit smaller, but very personable and quite energetic. Since he's joined the company, I found that I like him because we have many of the same interests and he's a hard worker. Even though we're not in the same department, I've had several joint meetings with him and his group and feel he can be trusted.

It turns out that he also dated Shari before me. Then he and his parents moved to another city. I met and fell for Shari about a year after Donny moved. I told Shari that he had joined my firm within a couple days of his coming. I explained that if we were to do a threesome, I'd be okay with him as the other guy. She again expressed her reluctance to engage in a three-way, but I could tell that she was intrigued by the thought that it might be Donny.

I don't know why she won't do a three-way with other women. I've told her she needn't worry because she's the most beautiful woman in the world as far as I'm concerned, and I will follow her to the ends

of the earth if need be. I've jokingly told her, "You can pick out the girl," and then we would laugh. "I don't need anyone but you sweetie, because I love you so much! I would be a fucking fool to mess up our relationship by doing something you didn't approve of!" Shari feels the same. We love and trust each other completely.

She is a little shorter than me, and I'm 5 foot 10 inches. She has a tan complexion, with perfect 34D breasts that have brown areolas, and hard nipples that poke out when it gets cold or she is excited. One morning I woke up extremely horny. I went down between her legs and began munching on her wonderful warm pussy. After eating her pussy for about fifteen minutes, I rolled her over and slid my throbbing dick into her hot

pussy, and fucked her doggy style. I fucked her as hard as I could, but didn't bring her off, so I concentrated on my own orgasm as it was getting late. Later that day she called and said she was so fucking horny from the morning's escapades that she wanted to stop by my office and she'd fuck me there.

I thought this would be the perfect time to fulfill Shari's fantasy and decided to initiate the threesome. When I saw Donny at the office, he was heading home for the day. I went over to him and asked if he had plans for the next few hours. When he said he didn't, except to pick up the pizza he had ordered for dinner, I asked him if he would help me fuck my wife. He looked at me with his jaw dropped

she placed her hand on my waiting hardon and tells me to get undressed. I tell her that I've asked Donny to stay and join us if she is ready to try it tonight. She blushes and pauses to think for a second. I didn't think she was going to go for it. She thought I was kidding, but when I called Donny into the office, she had a look of hesitation in her eyes. She looked at Donny then back at me, and poor guy didn't know what to do or say or to have to make the first move, so I reached over grabbed the front of her top and quickly pulled it up over her head. She wasn't wearing a bra and instinctively covered her boobs with her hands. Realizing there was little she could do but go with it, she dropped her hands

*... she was on her way over now to fuck me. He was somewhat skeptical that I was telling the truth and decided to hang around and see if indeed I was.*

down and asked if I was joking. I told him I wasn't and that she was on her way over now to fuck me. He was somewhat skeptical that I was telling the truth and decided to hang around and see if indeed I was. I asked if he would lock up and go back to his desk until we were ready. I'd call him on the intercom when the coast was clear for him to join us.

About 6:16 my cell phone rings and Shari is at the office door. I go to let her in and

and unbuttoned her slim skirt and let it drop to the floor. Her sexy black lace panties were revealed as I looked at Donny taking this all in.

She looked Donny right in the eyes and said told him to come over and take her panties off. In two large, quick steps he was in front of her, dropping to his knees as he pulled them down and off her feet. Rising up, he puckered his mouth around a gorgeous nipple and sucked it into his drooling mouth. Not wanting to be left out, I squeezed her

other breast, taking her beautiful button between my teeth, and rolled it back and forth. Shari flung her head, and arched her back, sticking her chest out, like offering her prize possessions to the winner! Donny and I nibbled and sucked, coating her gorgeous boobs with our wet mouths. She moaned softly, taking in the fact that she had two men devouring her jutting breasts.

Her breathing became heavier; she was enjoying the sensation of having both her boobs sucked on at the same time! She leaned her head back and growled with pleasure. She then broke our suction and told us both to strip. Standing with her hands on her hips, legs slightly spread, she looked like a naked super-heroine ready for battle.

it would go, curling it around her sensitive clit. Then her body started quivering, and twitching, her stomach muscles contracted, forcing her blood to her swelling clit, and she exploded with such force! Shari's body went limp, but not for long as Donny kept licking and sucking her tits. He then got on his knees and rammed his cock into her drooling mouth. As Donny fucked my hot wife in the mouth, I grabbed her ass, and slammed my meat into her quivering pussy.

Moments later I told Donny it was time to switch. I pulled out of her, and Donny pulled out of her mouth. We fucked her in as many positions as the three of us could dream up until we men sensed she was about to cum. Her body tensed and let loose a mind-blowing orgasm that must have

*Standing with her hands on her hips, legs slightly spread, she looked like a naked super-heroine ready for battle.*

I ripped my clothes off and Donny wasn't far behind. He released her boobs as he ripped his clothes off and was ready for action! We stood there looking at each other, breathing heavily, our hearts pounding with adrenaline, our blood coursing its way to our engorged cocks. Our brains were no longer in control of our bodies. Donny and I looked at each other, and went for her at the same time! We playfully wrestled her to the floor; he went for her heaving chest, and I went down and lapped at her hot pussy like a starving dog. I shoved my tongue as far as

shook the building. Not long after she went into spasms, Donny yelled out that he was going to cum, which triggered my own orgasm. I pumped what seemed to be gallons of jizz into her hot mouth as Donny filled her pussy with his man juice.

We laid out spent on the office floor in the middle of our clothes debris. Chairs and tables askew and toppled like the aftermath of a hurricane. Donny finally got up and said he'd go to get the pizza he had ordered if we would stay and do it all over again. Sex and pizza. What could be better?

CLAUDIA

& Ian

I was once told by an old boyfriend that 'guys like girls who wear glasses because they like getting fucked in their asses.' At first I laughed and shrugged it off, until I tried it myself a few years ago and now I'm all in. As a matter of fact, I want it all the time now. A pussy fuck is just not enough.
